

**Membership in the WVU University Chapter is separate from membership in the WVU Alumni Association.**

**WHO CAN JOIN**

Membership is open to West Virginia University alumni, family, friends, and all Mountaineer fans.

**WHY SHOULD I JOIN**

Your local alumni chapter keeps the Mountaineer spirit alive, extending the WVU community right to your doorstep, wherever you are. Alumni chapters sponsor social events, raise scholarship funds, support Mountaineer sports, assist new graduates, and recruit new students. A strong network of alumni is an essential part of every university.

**WHAT DO MY DUES PAY FOR**

Your dues help offset the operating costs of the local chapter, including internet domain name registration ([www.universitychapterwvu.org](http://www.universitychapterwvu.org)), email & web hosting, game watch raffle prizes, advertising, mailing, and other essential administrative functions. Dues also help the chapter schedule events, including game-watching parties and social functions.

Remember, the chapter is run entirely by volunteers like you. No member receives any payment for work on behalf of the chapter.
